CREATING OPPORTUNITY

Our mission:

To bring people in Africa to a Christ-centered life through education, job creation, health programs, orphan care and housing.

HOUSING

COFA renovated the Kakajjo Housing Project in in **Kampala, Uganda** to create low-cost housing for families and students.

ORPHAN CARE

COFA has expanded and improved the **Children's Home in Middelburg, South Africa**, funds its operation and pays for the children's educational costs at local Christian schools.

COFA's model enables it to provide physical and spiritual tools to break the cycle of poverty.

SELF SUSTAINABILITY

COFA promotes economically viable projects that can be sustained by the local population after our role is completed.

LOCAL INVOLVEMENT

COFA gives local communities a stake in our work by involving them in developing and implementing our projects, including providing local contributions in workforce, materials and funds.

PROFESSIONAL PARTNERSHIPS

COFA collaborates with individuals and organizations in the U.S. and in Africa with the dedication and expertise to work in the challenging environment of African nations.

CHRISTIAN VALUES

Our Christian partners provide individuals and communities with guidance and inspiration to lead fulfilling Christian lives.

HEALTH CARE

COFA is working to provide a range of health care services at a health clinic it built on the campus of St. Peter Christian College in Mhluzi, South Africa. Shown here is eyeglass program coordinated by MOST Ministries (Michigan) and Caring Friends (Middelburg, South Africa).
