

Currently 17 beautiful souls live in our orphanage. We want to increase that by 10 children, to provide a Christ-centred home for 27 youngsters who would otherwise be living in unimaginable circumstances. We can't wait to meet, love and heal them as we become a positive chapter in their life-stories.

In accordance with RSA government law, children over 18 can't be accommodated in our orphanage, so we are building a separate wing for these young adults. We believe that they should always have a loving place to call home, enabling them to spend time with their younger siblings. Passing this message on to the teenagers has had a substantial impact on them as they've realised they will always have a roof over their heads.

CHRISTIAN OUTREACH FOR AFRICA

1 Corinthians 13: 13 (NIV) "And now these three remain:
Faith, Hope and Love. But the greatest of these is Love."

The Cedric Hannay Children's Home is located in the province of Mpumalanga, Africa, and was founded in 2016 by Christian Outreach for Africa (COFA). Over that time the orphanage has positively impacted the lives of 42 children.

Our children's home receives support from the South African government for minimal childcare, while COFA provides for their additional needs of health care, psychological support, Christian education, and cultural activities.

COFA supports the orphanage enabling the children to reach their full potential. Over the next 5 years we plan to create an endowment fund and endeavor to raise **\$250,000/year** with \$200,000 going to the endowment and \$50,000 to help us provide these critical services at the orphanage each year.

Building an Endowment Fund will enable us to serve more children in need and this, in turn, will give them the future they deserve.

Will you join us by making a donation?

Every dollar you donate adds to the well-being of the children entrusted to our care.*

We recognize the need for a stable home life, a safe space and unconditional love by sharing the love of Christ with children who were once broken and devastated. Visit www.AfricaOutreach.org to see the amazing things God is doing through your donations.

The income from a \$1 million endowment fund will provide the orphanage funding to continue the care for children in need – **the gift that keeps on giving.**

* Your donation is deemed charitable under section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3). Please consult your accountant for any clarifications.

To rescue a child is the beginning. Equipping and empowering them is the goal. Redeeming a generation, is the vision.

At COFA, we are committed to bringing the love and hope of Christ to impossible situations.
