

In a country plagued by poverty and high unemployment rates, we believe that to change the lives of children, we must provide life-changing experiences through Christ-centred education and opportunities to thrive.

The endowment fund that we aim to build for scholarships, will give us peace of mind and enable us to offer a full education to children from the local community. Beginning with Grade R (K) through to Grade 12 and beyond into their tertiary education. Our dream is for our scholars to be more employable, more entrepreneurial, and even employers themselves.

Young people must ensure they receive the highest education possible so that they can represent us well as future leaders

Former President Nelson Mandela

Saint Peter Christian College, located in Mhluzi, South Africa, a former township of Middelburg under apartheid, provides an inspiring and interactive education that reduces the fear of a hopeless future.

Christian Outreach for Africa (COFA) supports the efforts of Saint Peter, providing approximately \$50,000 in scholarships each year. Over the next 5 years we plan to create an endowment fund and endeavor to raise **\$250,000/year** with \$200,000 going to the endowment and \$50,000 used for the current year scholarship costs.

* Your donation is deemed charitable under section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3). Please consult your accountant for any clarifications.

Building a Scholarship Fund will enable us to reach more children and provide them with a high quality, Christian education. This in turn, will give them the future they deserve.

Will you join us by making a donation?

Every dollar you donate educates a less fortunate child and positively impacts their future.*

We recognize the need for stable funding for families who are unable to afford the tuition. Visit www.AfricaOutreach.org to see the amazing things God is doing through your donations.

The income from a \$1 million endowment fund will provide funding for future Saint Peter student scholarships – **the gift that keeps on giving.**

At COFA, we are committed to bringing the love and hope of Christ to impossible situations.
