Children in Africa  
need your love,  
prayer and support

*"Affecto ab adrolo abi aquilas"*

In a country plagued by poverty and high unemployment rates, we believe that to change the lives of children, we must provide life-changing experiences through Christ-centred education and opportunities to thrive.

The endowment fund that we aim to build for scholarships, will give us peace of mind and enable us to offer a full education to children from the local community. Beginning with Grade R (K) through to Grade 12 and beyond into their tertiary education. Our dream is for our scholars to be more employable, more entrepreneurial, and even employers themselves.

**At Saint Peter Christian College we believe an inspiring and interactive education reduces the fear of a hopeless future.**

Building a Scholarship Fund will enable us to reach more children and provide them with a decent education. This in turn, will give them the future they deserve.

Jeremiah 29v11: *“For I know the plans I have for you ... plans to prosper you ... plans to give you a hope and a future.”*

At COFA, we are committed to bringing the love and hope of Christ to impossible situations.

**Will you join us by making a donation?**

**Every dollar you donate educates a less fortunate child and positively impacts their future.**

To build our \$1,000,000 endowment fund over the next five years, **the gift that keeps on giving**, we aim to raise \$250,000 per year for five years (\$200,000 per year towards our endowment fund and \$50,000 to assist with annual overheads).

Your donation is deemed charitable by the Internal Revenue Code.\*
